Fi401k Advisors, LLC

Greenwood Village, CO

[Individual Advisers with 100 Retirement Plans or More Under Advisement](#)

Financial advisers from across the country applied for consideration, having met a set minimum of requirements. To become eligible for this quantitative listing, advisers must complete the annual PLANADVISER Retirement Plan Adviser Survey. Respondents are divided into categories for evaluation, defined by the number of advisers, plus support staff, in the practice.

The list recognizes noteworthy retirement plan specialists, based on number of plans served and total assets under advisement.
